Recently the Club Scouts in Pack 546 visited the Appomattox County Library. Mrs. Glover explained how the books were fil ed and showed the boys which ones were for their age group. She also explained the library rules and regulations. Each boy was allowed to check out books with the understanding of when they were to be returned. This was one of the achievements for a Club Scout to earn his Wolf Badge.

What a friend we have in mother, who will all our secrets share, we should never keep things from her, tell her all, she'll be there. What tender love she gives us, Don't forget the prayers she has taught us. Send her flowers, sweet and fair. She'll be waiting, she'll be there.

Doss Bags Turkey

Glenn Doss of Appomattox killed the 13½ pound turkey shown above while hunting on a farm near Vera on Saturday, May 12th. Nice "kill" for this young man and sure it will be good eating.
